**Subject: Alleged irregularities during a public procurement procedure in a European Agency**

Dear Sir,

The Committee on Budgetary Control received information that irregularities may have occurred during a public procurement procedure in one of the European Agencies. The file is quite substantial.

The coordinators of our committee decided at its meeting on 23 April 2012 that the information should be forwarded to OLAF for further enquiries.

Given the interest our committee takes in the protection of the Union's financial interests, I would be grateful if you would inform the committee about the outcome of the evaluation and if applicable, the investigation.

With kind regards,

Michael Theurer
