Dear [REDACTED],

Please find enclosed a LTT on the judgement. We are further working on this and would like to also touch on this when we meet the Commissioner on CCS/CCU (together with ENER).

[REDACTED],

The Court has declared the respective provisions of the MRV implementing act as invalid. We will send you asap a more detailed assessment. We also plan to bring this to the Commissioner's attention at one of the next meetings. I understand there should be soon a joint meeting with ENER on CCS/CCU issues.
