Dear Mr. Viola,

We contact you on behalf of DIGITALEUROPE (Mission letter enclosed), mandated by the Estonian presidency of the Council of the EU and the EU Commission to provide actionable **recommendations to create a fully operational Digital Single Market**. These recommendations will be presented during the first Digital Summit of Head of State and government in Tallinn in September.

As a key stakeholder of the digital economy, we would like to schedule an interview with you (~30 min) to get your views on this topic. You can also send us your answers to the attached questionnaire by email.

Would you have a time slot in the next two weeks to share your valuable insight on this topic?

We stay at your disposal to get your inputs for this unique opportunity.

Many thanks in advance.

Best regards,
