Dear Mr Haar,

1. **SCOPE OF YOUR REQUEST**

Your e-mail requested access to documents as follows:

12 documents relate to point 2) of your request, and 21 documents to point 3) of your request. Please note that the content of the reports of meetings with the third parties were drafted by the
Commission; therefore they represent the Commission’s interpretation of what was discussed in the meetings and were not verified by the third parties.

3. FULL DISCLOSURE OF 23 DOCUMENTS

23 documents are fully disclosed\(^1\). 4 from those relate to the meetings held and 19 to correspondence with those associations and companies.

The documents to which you have requested access contain personal data.

Pursuant to Article 4(1) (b) of Regulation (EC) No 1049/2001, access to a document has to be refused if its disclosure would undermine the protection of privacy and the integrity of the individual, in particular in accordance with Community legislation regarding the protection of personal data. The applicable legislation in this field is Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data\(^2\).

When access is requested to documents containing personal data, Regulation (EC) No 45/2001 becomes fully applicable\(^3\).

According to Article 8(b) of this Regulation, personal data shall only be transferred to recipients if they establish the necessity of having the data transferred to them and if there is no reason to assume that the legitimate rights of the persons concerned might be prejudiced.

We consider that, with the information available, the necessity of disclosing the aforementioned personal data to you has not been established and that it cannot be assumed that such disclosure would not prejudice the legitimate rights of the persons concerned. Therefore, we are disclosing the documents requested expunged from this personal data.

In case you would disagree with the assessment that the expunged data are personal data which can only be disclosed if such disclosure is legitimate under the rules of personal data protection, you are entitled, in accordance with Article 7(2) of Regulation 1049/2001, to make a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretary-General of the Commission at the following address:

BERL 5/327

or by email to: sg-acc-doc@ec.europa.eu

4. PARTIAL DISCLOSURE OF 9 DOCUMENTS

9 documents have been partially disclosed. Out of these, 7 relate to reports of meetings and 2 to correspondence with the requested associations and companies.

---

\(^1\) Except for redaction of personal data. Please see reference below.
\(^2\) Official Journal L 8 of 12.1.2001, p. 1
\(^3\) Judgment of the Court of Justice of the EU of 29 June 2010 in case 28/08 P, Commission/The Bavarian Lager Co. Ltd, ECR 2010 I-06055.
Following an examination of the documents requested under the provisions of Regulation (EC) No 1049/2001 regarding public access to documents, I regret to inform you that access to 9 documents can only be provided partially based on a) the exception of Art.4 (2) first indent (‘The institutions shall refuse access to a document where disclosure would undermine the protection of commercial interests of a natural or legal person, including intellectual property”), since the full disclosure of these documents would affect the competitive position of the relevant companies on the market or would disclose business secrets, b) the exception of Art.4 (2) third indent (‘The institutions shall refuse access to a document where disclosure would undermine the protection of the purpose of inspections, investigations and audits”), since the Commission is in the process of assessing regulatory situations related to these documents' content in some Member States and disclosure of some documents or information at this point in time would affect this ongoing process, and/or c) the exception of Art.4 (3) (Access to a document, drawn up by an institution for internal use or received by an institution, which relates to a matter where the decision has not been taken by the institution, shall be refused), which is closely linked to the second exception. Disclosure of these documents would undermine the decision-making process of the Commission, as it would reveal views and elements which are currently under consideration.

Please note that regarding those documents originating from third parties, in particular those for which an exception under Regulation 1049/2001 would apply, DG Internal Market, Industry, Entrepreneurship and SMEs has consulted them according to Article 4, paragraph 4 of Regulation 1049/2001 and has obtained their permission to release the se documents partially invoking the above exceptions.

Please note that the documents received from third parties are disclosed for information only and cannot be re-used without the agreement of the originators, who hold a copyright on them. They do not reflect the position of the Commission and cannot be quoted as such.

According to Regulation (EC) No 1049/2001, an exception to the right of access must be waived if there is an overriding public interest in disclosing the document concerned, which outweighs the interest protected by the exception to the right of access. In this case the Commission has reached the conclusion that there appears to be no overriding public interest in their disclosure in the sense of the Regulation.

5. NON-DISCLOSURE OF ONE DOCUMENT

The DG Internal Market, Industry, Entrepreneurship and SMEs has identified one document to which access cannot be granted. Access to this document cannot be granted, as disclosure is prevented by exception to the right of access laid down in Article 4(2), third indent of this Regulation ("The institutions shall refuse access to a document where disclosure would undermine the protection of […] - the purpose of inspections, investigations and audits") and Art.4 (3) (Access to a document, drawn up by an institution for internal use or received by an institution, which relates to a matter where the decision has not been taken by the institution, shall be refused). The same considerations as above apply to the exceptions invoked for the non-disclosure of this document.

According to Regulation (EC) No 1049/2001, an exception to the right of access must be waived if there is an overriding public interest in disclosing the document concerned, which outweighs the interest protected by the exception to the right of access. In this case the Commission has reached the conclusion that there appears to be no overriding public interest in their disclosure in the sense of the Regulation.

The possibility of granting partial access in accordance with Article 4(6) of Regulation (EC) No 1049/2001 has also been examined. However, this is not considered possible since the document in question is covered in its entirety by the above-mentioned exceptions.
6. **MEANS OF REDRESS**

In accordance with Article 7(2) of Regulation 1049/2001, you are entitled to make a confirmatory application requesting the Commission to review its position.

Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretary-General of the Commission at the following address:

European Commission  
Secretary-General  
Transparency unit SG-B-4  
BERL 5/327  
B-1049 Bruxelles

or by email to: sg-acc-doc@ec.europa.eu

Yours sincerely
