

**Subject:** Short discussion with ESF

At his request, [Art 4.1b] and I met briefly with Art 4.1 b originally to discuss broadcasting (Art 4.1b will meet with the European Broadcaster Union (EBU) tomorrow to discuss our new proposal to move towards electronic communications), but we accidentally also discussed EU-US:

- Interested by the inclusion of broadcasting. I made it clear that this would remain outside of the scope of AV that it should stay outside of any potential future debate on AV.
