Subject: Your request for public access to documents of 8 November 2017

Our ref.: PAD 2017/099

Dear Mr Jensen,

I hereby acknowledge the receipt of your request of 8 November 2017 submitted through Ask the EU website, by means of which you requested access to *"the documents (excel file with "EFSA data collection") which are mentioned here:*

<http://onlinelibrary.wiley.com/doi/10.2903/j.efsa.2017.5018/full>

"The additional data (in the following referred to as 'EFSA data collection') were obtained by means of a designed data model built on the experience of the HPAI A(H5N8) outbreaks in 2014 (EFSA, 2014). A compromise between rapid action and solidity of the data collection methodology had to be found. Considering the circumstances, it was decided to circulate to each MS an Excel file, prefilled with ADNS information, with the aim of collecting potentially useful epidemiological information".

Your request has been registered as PAD 2017/099 and is being processed as quickly as possible in accordance with Regulation (EC) No 1049/2001 regarding public access to documents¹.

You will receive a reply by **29 November 2017** at the latest.

Yours sincerely,

Dirk Detken
