Querido [Art 4,1(b)]

Por supuesto con mucho gusto, también tenemos que hablar de Canada y Japon.

[Art 4.1(b)] will help us find a convenient slot for both.

Un abrazo,

Dear Mr. Ceballos,

I am [Art 4.1(b)] working from Spanish Agrifood Organization. We have met already sometimes. You know the importance of trade in the agrifood sector for Spain. Agrifood sector exports are increasing and this is bringing positive facts as jobs, growth mainly in rural areas where there is no economic alternative apart agriculture. But there are some challenges as well for certain products.

I am writing you because Mr. Gabriel Trenzado Director of European Affairs and Trade of Spanish Coops will be in Brussels the 17<sup>th</sup> and 18<sup>th</sup> of October. He will like to meet you during these days (the timetable more convenient for you) to talk about the current trade negotiations (as Mercosur), future negotiations (as Australia and New Zealand) and some update on specific countries as Morocco.

Thank you very much in advance

Best regards
