Dear [REDACTED]

Once again, thank you very much for welcoming my colleagues and me at [REDACTED] offices yesterday afternoon. Please do extend my gratitude to him and to your colleague [REDACTED] who, as she just recently joined, did not have her name card.

We hope that the meeting was informative to you. If you have any need for further information or, even better, if you'd like to come and visit us in our head offices (in Singapore or Jakarta) and in the field, please do not hesitate to contact us.

As per your request, please find attached the presentation we made.

We enjoyed discussing your concerns and look forward to our next meeting to support a process that will bring the European Union and Indonesia (and ASEAN) together as two formidable partners in Fair Trade in Sustainable Goods. As one particular question, I would appreciate your help to introduce us to a colleague to whom we could explain Indonesia's levy for aid to the Replantation Program for (independent) smallholder farmers. Only with such aid can & will they make the necessary investments to cutting their existing trees to use certified newly developed seeds, in order to increase their yield and income, thus also avoiding any encroachment into protected areas.

Looking forward to your response, I remain

With kind regards (and best wishes for a speedy recovery to [REDACTED])
