Brussels,

ENV.C3/FF/adb Ares(2013)

**TO: THE MEMBERS OF THE INDUSTRIAL EMISSIONS DIRECTIVE (IED)
ARTICLE 13 FORUM**

Following my note of 8 April 2013 (ref. Ares(2013)55929), I hereby invite you to the fourth meeting of the forum taking place on **6 June 2013**.

Please find enclosed the draft agenda for the meeting. The main objective will be to obtain the forum's opinion on the proposed content of the draft BAT reference document on the Production of Chlor-Alkali, which was made available to you on 9 April 2013. I would like to remind you that any written comments on this document should be sent by **Friday 24 May 2013 at the latest, using exclusively the templates previously provided**, to Stefania Fornasero in my Unit (stefania.fornasero@ec.europa.eu) and to the European IPPC Bureau (JRC-IPTS-EIPPCB@ec.europa.eu).

The Commission will present at the meeting the revised work programme for the exchange of information, focusing on the year 2014, with a view to obtaining the opinion of the forum on this document at the meeting. This document will be sent to you at least 14 calendar days before the meeting.

You will also find enclosed the revised summary minutes of the previous forum meeting of 13 September 2012 to be adopted at the meeting.

Should you have any further questions on the above, please contact Filip François (filip.francois@ec.europa.eu) in my Unit.

May I kindly ask you to **confirm your participation latest by 27 May 2013** to Anne du Bois d'Enghien (Anne.du-bois-denghien@ec.europa.eu). We need the names and affiliations of participants for security checks at the building entrance. Please note that, without this invitation letter, access to the meeting will not be allowed.

Due to the limited capacity of the meeting room, participation is restricted to **one person per forum member**. If you wish to participate in greater numbers please contact Anne du Bois d'Enghien as soon as possible. The answer to such requests will be provided by **30 May 2013**.

Yours sincerely,

Thomas VERHEYNE
Head of Unit
