Subject: Your email to Commissioner Vestager of 2nd October 2017

Dear Mr Hennild,

Thank you for your above mentioned email, in which you send the comments of the Danish trade association for companies with Danish headquarters and production of tobacco products in Denmark, Tobaksindustrien, to the Commission's proposal concerning the tobacco directive. Commissioner Vestager has asked me to reply, since the Food Task Force is the sectoral unit in DG Competition for tobacco. We appreciate that you have chosen to inform us of these issues and we have taken note of your concerns.

Yours sincerely,
