

15.1	Report on implementation of the MoU regarding Harmonisation of a Charging Capability for Mobile Phones	<b>Doc TCAM(35)37</b>

43. [REDACTED], on behalf of the MoU signatories, presented a progress report on the implementation of the MoU regarding a Harmonisation of Charging Capability for Mobile Phones:

- Virtually all new models of data-enabled mobile phones offer now the common charging capability
- Certification of interoperability requirements has been put in place
- A number of new compliant chargers have also been placed on the market
- A confidential report was to be submitted to the Commission in July, percentages of compliance are not public information

44. TCAM chairman thanked Mr [REDACTED] and the signatories for this report, and indicated that further monitoring during 2012 should make it possible to confirm these positive developments in an area which is closely followed by EU citizens and at the highest political level.
