----	----------------	--

The Chair outlined that the Commission is in contact with representatives of manufacturers in order to assess the feasibility of a voluntary agreement by the manufacturers on a memorandum of understanding. Afterwards, it will be examined whether and how other devices will be included. Discussions are ongoing.

[REDACTED] urged the Commission to solve the problem with coupling, as manufacturers offer on the market mobile phones together with a charger and invited the Commission to regulate this issue via a delegated act.

The Chair took note of the point raised by [REDACTED]
