[REDACTED] also referred to NGOs activities in SAR that has recently raised lot of questions addressed to COM related to the activity of LBY CG. Seizure of the Proactiva Open Arms has fuelled criticism from NGOs that addressed the COM in order to have more clarity on the framework in which LBY CG operate and the assistance IT and EU provided to LBY CG.

From a judicial point of view current state of play on the case of Proactiva Open Arms is that the tribunal of Ragusa will have to confirm or not the seizure of the vessel on the base of the crime hypothesis of facilitation of illegal immigration formulated by the prosecutor of Catania that took to the preventive seizure of the ship.
