Dear Sir,

Wednesday 7 February 10:30 is possible for a meeting with Christian. Would that be agreeable to you? I will then need your citizenship, date of birth, passport number and expiry date for your smooth access to the Berlaymont.

Kind regards,

Art.4.1(b)

Dear Art.4.1(b)

Thank you for that. Sure, I would be happy to steal a short amount of time from Dr. Burgsmüller time, who knows well the TABC.

Please note (I took the freedom to add a CC) that at this very stage, as explained in my mail to Commissioner Malmstöm, this is about having a honest and really informal talk about how to best serve the transatlantic trade agenda from my new responsibilities at the TABC.

I say that because at a later (but not very distant) moment I may ask for another appointment, together with TABC members, for an exchange of views on topics. We will see that.

In terms of dates, I would go for the week of February 5, and I am rather flexible.

Kind regards

Ignasi Guardans
