3.2.3. Advisory Board

"By means of the external Advisory Board (AB), EnTIRE will seek regular external advice on relevant issues. The AB will provide expert advice on the quality of the deliverables, in order to oversee that the project will develop in accordance to the appropriate legal, ethical and social issues, general philosophy and direction of the project. It will also advise on corrective measures in the content of the work if necessary and the dissemination and exploitation of the projects results. The AB has no formal decision power within the project. The members of the AB are independent and therefore no budget is reserved for AB consultations. The members of the advisory board will be selected for (i) their experience in research and project management, (ii) their prominent role in their respective scientific communities, (iii) their prominent role in national and international policy making, and/or (iv) their link to relevant stakeholders. Persons will be invited when necessary and in consultation with the EC representative. The following persons and/or organisations are committed take seat in the AB:
