**Subject: Your application for access to documents – Ref GestDem No 2018/1920
– point 1: List of meetings (Code of Good Administrative Behaviour)**

Dear Madam,

We refer to your e-mail dated 03/04/2018 in which you make a request for access to documents, registered on 04/04/2018 under the above mentioned reference number.

Point 1 of your request reads as follows: *"a list of meetings between DG DEVCO officials and/ or representatives (including the Commissioner and the Cabinet) and representatives of the Energy Charter Secretariat (since May 2017) "*.

I note that, for this part of your request, you also make reference to Regulation EC (No) 1049/2001 regarding public access to European Parliament, Council and Commission documents. However, point 1 of your request does not concern access to one or more existing documents, but to information, which would have to be compiled and processed for this specific purpose. Therefore, for point 1, your request does not qualify as an application for access to documents under Regulation EC (No) 1049/2001, but as a request for access to information, which shall be handled under the Code of Good Administrative Behaviour.

To this end, please find attached the requested list of meetings for the period May 2017 – 3 April 2018.

Yours faithfully,

Felice Zaccheo
Head of Unit
