Dear M. [Name],

Could you please let me know if this date could eventually suit you?

Many thanks in advance,

AFG - French Asset Management Association

About AFG:
The French Asset Management Association (Association Française de la Gestion Financière, AFG) is the professional organisation representing the French asset management industry. Asset management is about helping retail and professional investors to provide for their future and achieve other long-term goals. Individuals and organisations entrust their savings to asset managers, who seek to increase their value by investing in the real economy via companies' shares or bonds, government bonds, and infrastructure assets. The French asset management sector is the largest in continental Europe: 630 asset management companies employ directly and indirectly 85,000 people and invest, on behalf of their clients, up to 3,800 billion euros in bonds, shares and other assets. About 50% of French asset managers commercialise their funds on a cross-border basis, and more than 30% of the assets managed by our members are issued by corporates or States of the Euro zone (excluding France), which makes our industry a key source of funding for the European economy. AFG is an active member of PensionsEurope and EFAMA, and is complying with the transparency register of the Commission and the European Parliament: ID n° 5975679380-97.

Many thanks, looking forward to meet tomorrow.

Kind regards,
Thank you for your e-mail.

I'm afraid that there will not be another person available from the Task Force to do such a presentation.

The only thing that I could do, is to try to make available another slot earlier during the day. However, I would have to leave in any case at the latest at 14h45.

I hope that this might help to find a solution.
