Re: Complaint proceedings, financial estimate

Dear ...

Further to our telephone conversation, I would estimate the total work in this matter, i.e. the analysis of the files, possible meetings, the assessment of the factual and legal questions raised and the drafting of a reply, to be in the area of between 20 and 25 hours, à € , thus in the range of between 4.000 and 5.000 €.

Yours sincerely,
