Subject: Joint Letter (Oxfam, FOEE, SOMO, WEED, WDM) on upcoming MiFID Dialogues & Commodity Speculation

Dear Commissioner Barnier,

Please find attached a letter from Natalia Alonso, Head of Oxfam International's EU Advocacy Office, on behalf of *Friends of the Earth Europe*, *Oxfam*, *SOMO – Center for Research on Multilateral Corporations*, *WEED – World Ecology, Economy & Development*, and the *World Development Movement*, regarding upcoming negotiations on MiFID/MiFIR with the Council of the European Union and the European Parliament.

The letter raises our concerns regarding loopholes in the emerging consensus between the Commission, the Parliament and the Council. We therefore attach a jointly authored briefing on the state of play in these negotiations with regard to speculation on food and other commodities, and what remains to be done to ensure greater transparency and prevent excessive speculation contributing to price spikes and volatility.

We remain at your disposal to answer any questions that you may have and to meet you or your advisors as needed.

Yours sincerely,

[REDACTED]
