Thank you so much for your proposal that interested very much our Commissioner.

Would you be able to have her between 10h00 and 10h30? The Commissioner could deliver a speech of around 20 minutes and then stay 10 to 15 min more.

I would very much appreciate if you could send me the program of the event so that we can propose something adequate.

Have an excellent week,

Andrea

Dear Andrea,

As discussed last week, we very much look forward to the working lunch between the Commissioner and Sheryl and both teams on Jan 23rd at 13.00.

On the same day Sheryl will be speaking at a Facebook SME event at the Square, Mont des Arts in front of 300 SMEs who on a daily basis use technology to grow and succeed. We were wondering whether Commissioner Gabriel would be interested in speaking at this event. In theory it's a **20 min speaking slot from 10:40 to 11:00** but we can arrange the program and the Commissioner can give a shorter or longer if she desires it. We are also inviting policy stakeholders and press to the event.

Happy to provide more detail about the event and I hope you are interested.

Kind regards,
