Subject: Your requests for access to documents
Our ref: 2018/066

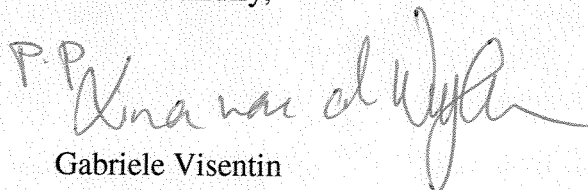

Dear Sir/Madam,

As you may recall from our previous correspondence and the letter we sent in reply to your request 066/2018, we were in contact with EUNAVFOR MED and were waiting for their response regarding the possibility of disclosing the Memorandum of Understanding dated 23 August 2016.

I have the pleasure to inform you that the EEAS has now received agreement from EUNAVFOR MED and I am pleased to forward the requested document to you in attachment to this letter.

I kindly remind you that the document may not be copied or reproduced for commercial purposes without prior consultation with the EEAS.

Yours faithfully,

P.P.
