Dear Ms Cann,

We refer to your e-mail dated 14/06/2018 in which you make a request for access to documents, registered on 15/06/2018 under the above mentioned reference number.

As regards your request we would like to inform you that no meetings with the lobby groups listed by you took place in the period since 01/09/2017. Nevertheless an Industry Statement on the Harmonized Classification of Titanium Dioxide (TiO₂) addressed to the European Commission and registered under Ares(2018)2866190 and a Request for meeting on Titanium Dioxide by CEPE registered under Ares(2018)3572785 have been retrieved. Please find the documents enclosed.

Please note that the document contains some personal data, which have been expunged. Pursuant to Article 4(1) (b) of Regulation (EC) No 1049/2001, access to a document has to be refused if its disclosure would undermine the protection of privacy and the integrity of the individual, in particular in accordance with Community legislation regarding the protection of personal data. The applicable legislation in this field is Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data¹.

¹ Official Journal L 8 of 12.1.2001, p. 1

When access is requested to documents containing personal data, Regulation (EC) No 45/2001 becomes fully applicable². According to Article 8(b) of this Regulation, personal data shall only be transferred to recipients if they establish the necessity of having the data transferred to them and if there is no reason to assume that the legitimate rights of the persons concerned might be prejudiced.

We consider that, with the information available, the necessity of disclosing the aforementioned personal data to you has not been established and/or that it cannot be assumed that such disclosure would not prejudice the legitimate rights of the persons concerned. Therefore, we are disclosing the document requested expunged from this personal data.

In case you would disagree with the assessment that the expunged data are personal data which can only be disclosed if such disclosure is legitimate under the rules of personal data protection, you are entitled, in accordance with Article 7(2) of Regulation 1049/2001, to make a confirmatory application requesting the Commission to review this position.

Such a confirmatory application should be addressed within 15 working days upon receipt of this letter to the Secretary-General of the Commission at the following address:
