Subject: DIGIT's initial reply to your applications for access to documents

Ref.: GESTDEM 2018/3723 and 2018/3725 – Ms Ingestad's letter dated 30/07/2018 (Ares(2018)4077072)

Dear Sir,

We have noticed a clerical error in the above-mentioned letter from Ms G. Ingestad.

While the information contained in the two tables which were provided to you corresponds to what you had requested, the table headings were interchanged.

Hence, the heading for the table containing the information on the iPhones should read "Number of units purchased from 13/12/2017 until the end of Framework Contract DI-07190-00" (and not 31/12/2014); and the heading for the table containing the information on the Microsoft Surface Pros should read "Number of units purchased from 31/12/2014 until the end of Framework Contract DI-07190-00" (and not 13/12/2017).

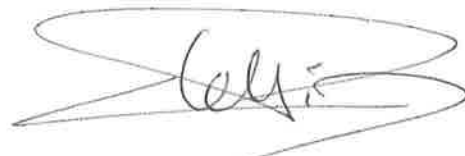

This is therefore the correct version of the tables:

Model	Number of units purchased from 13/12/2017 until the end of Framework Contract DI-07190-00
iPhone 8 - 64GB	857
iPhone 8 - 256GB	85
iPhone 8 Plus - 256 GB	2
iPhone X - 256 GB	24

Model	Number of units purchased from 31/12/2014 until the end of Framework Contract DI-07190-00
Microsoft Surface Pro 3 i5 256GB 8GB RAM	30
Microsoft Surface Pro 3 i5 128GB 4GB RAM	6

We apologise for this oversight and for any inconvenience caused.

Yours faithfully,

p.o.

Martin BILBAO
