Subject: Request for a meeting on the European Defense Fund proposal from the EC

Dear Mrs. Chirico,

By means of electronic handshake, let me please introduce myself as member of the Boeing Europe Office, primarily in charge of monitoring European defense and security related policy developments.

The Boeing Europe Office welcomes the Defense Fund proposal presented last month by the Commission. VP Katainen his team have done a great job in putting into a concrete set of proposals the revived political impetus with respect to defense cooperation in the EU.

In this regard, I would very much appreciate to exchange with you on some of the proposals brought forward by the Commission.

Would you have any availability to meet in August, from the 16th on.

Thank you very much for your consideration,

Best regards,
