Dear Ms [REDACTED],

Related to my previous message, I would like to enquire whether Vice-president Mr Katainen would be available to meet with Patria's Board of Management in April.

Differing from the previous information I sent, the Patria delegation will be in Brussels only on **Wednesday 18 April**. The meeting with Mr Katainen could be scheduled quite according to his timetable, either in the morning or in the afternoon on 18 April.

Should you have any questions about the meeting, I am glad to provide you with further details.

Kind Regards,

[REDACTED]

Dear Ms [REDACTED],

I am contacting you on the behalf of our client, Patria, a Finnish provider of defense, security and aviation life-cycle support services and technology solutions. I would like to request a meeting for the representatives of Patria with Vice-President Mr. Jyrki Katainen.

Members of Patria's Board of Management are visiting Brussels in mid-April and they would like to have a discussion with Vice-President Mr. Katainen concerning the development and future perspectives on the defense dimension of the European Union. What are the Commission's objectives to be completed prior to the end of their mandate and what type of expectations related to defense policy are directed to the work of the next Commission?

I could propose a meeting either on Wednesday or Thursday 18 - 19 April.

Should you have any questions about the meeting in general or the specific discussion topic, I am happy to provide you with further details.

Kind regards,
