**Subject:** Thank you letter from Saab President & CEO

Dear [REDACTED],

I am writing to you to follow up on a thank you letter sent to Vice President Katainen from my CEO Mr Håkan Buskhe (please find the letter attached to this e-mail).

Mr Katainen attended our Annual Dinner Seminar on 22 November, and gave a much appreciated keynote address. Mr Katainen's attendance was much valued, and Mr Buskhe was very happy to have the chance, if only briefly prior to the seminar, to speak with the Vice President. In their discussion, they addressed the possibility for a meeting in 2018, where they would have the opportunity to discuss in further detail, the critical issues facing the industry, as well as issues relating to the European Defence Fund.

I would therefore firstly like to confirm whether Mr Katainen has received the personal thank you letter sent to him from Mr Buskhe? Secondly, I would like to inquire into the possibility of organizing a meeting, as discussed between the two during their encounter, in a near- or midterm perspective (March or April)?

Thank you for your cooperation!

Best regards,

[REDACTED]
