

Meeting between Vice-President Katainen and Patria board management on 18.04.2018

Accompanied by Mr. Risto Artjoki, Head of Cabinet of Vice-President Katainen and Trainee

Topic: European Defence

Patria 's Transparency register number: 389578230437-31

Summary:

The Patria board enquired about the European Defence Fund, the role of EDA, and the position of small companies.

The Finnish Defence Industry considers positively the developments at European level, as long as level playing field is preserved and real cross-border cooperation takes place.

VP briefly explained the logic and characteristics of the European Commission's intervention in the defence sector and the objectives pursued.
