

The rectors and deans of the University of Jyväskylä in Brussels 16 - 18 May 2018

Programme Draft

Purpose of the trip:

The University of Jyväskylä combines high-level competence in education, natural sciences, humanities and social sciences, and sport and health sciences, as well as in economics and business administration, into a multidisciplinary entity

<https://www.jyu.fi/en/university/rector-and-vice-rectors>.

The aim of the visit is to exchange views of the future of the European research and innovation funding and discuss the foreseen changes in the research and innovation landscape.

Participants:
