Subject: Meeting of 23 March 2018 with Transport & Environment on the Multilateral Investment Court and related issues

Participants

[REDACTED], [REDACTED] [REDACTED] (COM); [REDACTED], [REDACTED] (T&E)

Summary

The issue of observer status at UNCITRAL Working Group III that T&E has recently obtained was discussed. T&E acknowledged COM's efforts and sought some clarifications on the implications of having such status. COM gave an indication of its expectations for the April meeting of WG III in New York. The recently published negotiating directives were briefly discussed too.
