Meeting report - Telenor, 27 May 2016

On 27 May 2016, art 4(1)(b) and I met, upon their request, with representatives from Telenor to discuss (at length) the state of play in their sector in especially Malaysia, Bangladesh, Pakistan, Thailand and Myanmar. Telenor is the biggest foreign mobile telecom operator in South East Asia.

Telenor:

Details:

- out of scope

- **Indonesia:** Used to have an open law, but the new negative list went backwards (fixed telephony: equity caps below 50% now; in mobile: reduced from 90% to max 65%). On the other hand, the new President is making positive announcements. art 4(2)

So they will follow our FTA talks with high attention.
