Dear Mr Dohle,

Subject: Request for access to documents – N° 2013/62

Further to your request for access to documents dated 25/06/2013, which was registered in our access to documents registry under reference 2012/62, and the precisions you have sent us by e-mail on 23/07/2013, we have looked again for documents concerning meetings with the Joint Council of International Children's Services (JCICS) in November and December 2005.

We are afraid that the EU Delegation in Washington has not been able to identify any such documents. Nor has it been able to check on the professional diaries of key staff in the Delegation, as these records are only kept for a maximum period of 5 years.

Any further correspondence should be sent to the following address:

Yours sincerely
