Betreff: Request for a meeting on behalf of Enterprise Rent-A-Car: 9, 10 or 11 July

Dear Mr. Bermig,

As you may recall, APCO Worldwide acts as EU public policy advisors to Enterprise Rent-A-Car (Transparency Register No: 499115519787-49).

I am writing on behalf of [REDACTED]
at Enterprise and [REDACTED]
[REDACTED] at Enterprise to kindly request a meeting with you either on **Monday 9 July, Tuesday 10 July** or **Wednesday 11 July**, following your most recent meeting on 4 December 2017.

In light of your responsibility for Key Enabling Technologies in Commissioner Bienkowska's Cabinet, [REDACTED] and [REDACTED] would welcome the opportunity to meet with you again to discuss developments around connected and autonomous driving and the access to in-vehicle data debate, in the context of the recent publication of the Third Mobility Package, in particular the Communication on Connected and Automated Mobility.

As you have previously discussed, these technologies will have strategic impacts on the car rental sector and the broader mobility industry, and [REDACTED] and [REDACTED] would like to continue this discussion on the importance to both businesses and consumers of establishing a level playing field for access to in-vehicle data for all market players as a means to guarantee fair competition, whilst of course ensuring the highest level of personal data protection.

As a reminder, Enterprise Rent-A-Car is part of the world's largest car rental company, Enterprise Holdings, which also operates the National Car Rental and Alamo Rent-A-Car brands. Since 1994 Enterprise has continued its ambitious European expansion programme to more than 1,100 locations and in excess of 170,000 vehicles. With company-owned operations in Ireland, Germany, France, Spain and the United Kingdom, and partnerships with franchise operators in twenty-seven European Union Member States (and soon to be all twenty-eight), Enterprise is a major participant in the European rental car and travel industries.

We realise there are a great many demands on your time and very much appreciate your kind consideration of this request. We look forward to hearing back from you.

Yours sincerely,

[REDACTED]

[REDACTED]
