Dear [REDACTED],

Thank you for your message. It is foreseen in the Terms of reference that stakeholders will be consulted by the contractor in a balanced way and at EU level, and EUROPABIO will be one of the EU-based organisations consulted. I can unfortunately not provide you with an indication of the timeframe for now considering that the methodology will be discussed at the kick-off meeting on Wednesday.

Best regards,

[REDACTED]

Dear [REDACTED],

Thanks so much for your reply. Does this mean that the external kick off will follow shortly after May 17th? And this will be communicated – as usual - to the relevant stakeholders? (just to check...)

Best wishes,

[REDACTED]

Dear [REDACTED],

Thank you for your message. The study on the impact of SPCs and pharmaceutical incentives on innovation, availability and accessibility will start next week with the kick-off meeting between the Commission and the contractor on 17 May.

Best regards,

Dear [REDACTED],

We learned that the Copenhagen Economics Agency has won the tender. Could you perhaps inform us about the expected launch date for the EC IP / Incentives Survey?

Thanks so much in advance!

Kind regards,
