**REMARKS:**

1. **Local transportation expenses for returnees:** OMS provides 80 Euro and recommend the PMS to do the same (not mandatory/not required).

2. **Monitor:** There will be 1 monitor on board, provided by OMS.

3. **Dress code:**

   The dress code for the JRO participants during the operation depends on their tasks, each MS’s national rules, the JRO duration and circumstances. Smart casual dress is preferable by OMS EL and PMS ELs. When wearing a necktie, the one with Velcro closure is recommended. Uniforms or military style clothes are not permitted on board the aircraft.

   The JRO participants should be identifiable and fully distinguishable from returnees. To this end, official vests with “national logo” in clear letters, or armbands, badges or some other distinguishing signs are required to be worn on duty, vests are preferable as they are easily recognisable.
