Dear [REDACTED]

Many thanks for taking the time to meet with Peter Sweatman and myself on 6 November. It was a pleasure to meet you and to exchange on matters of the Long Term Strategy, FP9 and links to the SDGs.

With apologies for the delay, please find attached the slides from the two reports that we showed: “[Net Zero By 2050: From Whether To How](#)” and “[Funding Innovation to Deliver EU Competitive Climate Leadership](#).” The hyperlinks take you to more materials on the actual reports. Please do let us know if you have any questions.

As mentioned when we met, the European Climate Foundation intends to publish more reports in this series over the coming months, with deeper dives into particular sectors and aspects.

Wishing you all the best for the finalisation of the EU Long Term Strategy and the ongoing FP9 discussions. We look forward to talking again in the future.

Kind regards,

[redacted] and Peter Sweatman (Climate Strategy)
