Your confirmatory application was submitted in relation to your initial application of 31 January 2019, addressed to the Directorate- General for Economic and Financial Affairs, whereby you requested access to:

‘all documents - including but not limited to minutes, (hand-written) notes, audio recordings, verbatim reports, operational conclusions, lines to take, e-mails, and presentations - related to meetings [C]ommissioner Pierre Moscovici has held at the World Economic Forum this year, including but not limited to his meetings with

- S&P Global (SPGI)'.

On 25 March 2019, you received a reply from the services of the Directorate- General for Economic and Financial Affairs with regard to your application. On 1 April 2019, you submitted a confirmatory application against that reply.

On 15 April 2019, the Directorate- General for Economic and Financial Affairs sent you a revised reply to your application, as the reply of 25 March 2019 had not been validated at the appropriate level within the Directorate- General.

As the Directorate- General for Economic and Financial Affairs has in the meantime sent you a new reply to your application, the Secretariat-General will close this confirmatory application.

Please note that this is without prejudice to your right to submit a new confirmatory application if you do not agree with the position of the Directorate- General for Economic and Financial Affairs, as reflected in its reply of 15 April 2019.

Yours sincerely,
