Subject: Request for meeting with ACEA president- June 5 2018
Importance: High

Dear Commissioner Canete

ACEA's President and Chairman of the Managing Board of PSA Group, Carlos Tavares, will be in Brussels on 5 June for our Board meeting and General Assembly. I would like to enquire about the possibility of meeting with you on that day.

The second mobility package, including the key proposal on post-2021 CO2 standards for cars and vans, was released by the European Commission almost 7 months ago. The legislative scrutiny at Council and European Parliament level is progressing at a steady pace. This meeting would provide a good opportunity to review where we stand on all pending proposals while allowing our new president Mr Tavares to provide his perspective to you .

I very much hope that your agenda will allow for this meeting. Given the ACEA Board and General Assembly time constraints, the best slot for Mr Tavares would be at 9.30.

I thank you very much in advance for your consideration of this request.

Sincerely Yours,

Erik Jonnaert
