2nd MEETING OF DEFENCE SUPPLY CHAIN NETWORK – 07 JUNE 2016

Annex: Draft Agenda

December 2013 and June 2015 European Councils have reaffirmed, among others, the need to strengthen the European Defence Technological and Industrial Base (EDTIB). Important forthcoming European initiatives, notably the upcoming Global Strategy and its translation into defence relevant actions, the European Defence Action Plan and the Space Strategy as well as the Preparatory Action for Defence Research aim to pave the way towards stronger and more competitive EDTIB.

In this context, EDA would like to invite you to the **2nd DSCN meeting on 07 June 2016** to exchange views on the European Defence Action Plan and the Preparatory Action. The meeting will commence at 9.00 and finish by 15.30.

Please confirm your attendance and, if appropriate, suggest additional agenda items by e-mail to the European Synergies and Innovation Directorate at esi@eda.europa.eu by **COB 27th May 2016**.
