Dear [REDACTED]

Thank you. Our identification number in the register is **146537115285-34**.
I will be with [REDACTED] in Davos, however I won't have access to the Congress Centre. Nonetheless, I would be the best person to contact for last minute arrangements [REDACTED]

Best regards,

Dear Christiane,

Thanks for getting back to me. I can confirm this slot for [REDACTED]. Would you be able to book a bilateral room at the Congress Centre for this meeting, or would another location be more convenient for Commissioner Moedas? Unfortunately I don't have the possibility to book a room at the Congress Centre.

As regards topics, the two haven't met yet and therefore I would see

- a very brief introduction of Booking
- our view on the regulatory environment in the EU and how it impacts tech businesses
- AI

I'll be in Davos with [REDACTED] and my mobile number is [REDACTED]

Thanks and best regards,

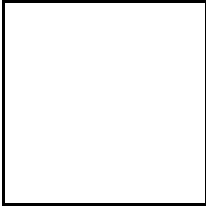

[REDACTED]
