Dear Ms Gauer,

I am contacting you to ask if you might be available for a meeting on **Monday 3 December in Brussels** with Lord Richard Allan, Vice President Policy Solutions at Facebook? Lord Allan leads Facebook's policy work as well as our work on elections.

With the EP elections next year, we would be grateful for the opportunity to outline the actions we're taking to protect the upcoming elections across Europe. Further, we also wanted to inform you about all the measures we have been undertaking to build trust in our services and answer any questions you might have.

Many thanks in advance for considering this meeting request and we look forward to speaking to you.

Kindest regards,
