Dear colleagues

Following earlier exchanges, please find enclosed the official invitation, which should have been sent to Commissioners Vella and Arias Canete.

Yesterday we were informed about the participation of Commissioner Vella and we provided answers to some logistical questions (below).

Thank you for keeping us informed about the possible participation of Commissioner Arias Canete.

Should you or your colleagues have further questions, , who is in charge of Vatican

(amongst others dossiers) will be back in office tomorrow.

Best regards

Dear ,

Thank you very much for this positive answer.

To answer your questions:

- Timing

The special audience with his Holiness will be short (but unique): it starts at 9 and should end shortly before 10, as the General audience (on piazza san Pietro) usually starts at 10.

Therefore, it seems feasible to get the 12h50 flight.

In case you have not yet received the official invitation by the Ministers for environment of Italy (host) and Luxembourg (Presidency), some additional information:

There should be events the evening before; reception starting at 17.30 hosted by the Italian Ambassador to the Holy See, h.e. ; then from 19H30 hosted by the Italian Minister for environment, h.e

- Hotels

Please find enclosed a list of hotels compiled by the Delegation – although not an official list. Other Commissioners enjoyed their stay at hotel Kolbe (details included).

Transfer to Vatican to be there before 9.00 should be OK (Delegation will ask for escort)

- Other info
Our Head of Delegation/Ambassador, will of course accompany the Commissioner.
The Delegation will organise transfers (airport, hotel, Vatican...).
My colleagues and (in cc) will follow up on organisational aspects with you.

Should there be questions/news, my colleague who will be back in office next week.

We have no news from the office of Commissioner Arias Canete; may I ask if your office has any news or whether only Commissioner Vella participates. Thanks for that.

Best regards

On behalf of

Head of

Delegation in Rome:

Dear colleagues,

We just have been informed that a special **Audience** with His **Holiness Pope Francis** would be organised for **EU Ministers for Environment** as well as **Commissioner Vella** and **Commissioner Arias Canete**.

This special audience should take place on **Wednesday 16 September**, at **9 o'clock**, in the **Vatican**. It should be relatively short, as the General Audience usually follows at 10 o'clock.

The subject will be the **encyclical** letter "Laudato Si" of the Holy Father Francis on "Care for Our Common Home" http://w2.vatican.va/content/francesco/en/encyclicals/documents/papafrancesco_20150524_enciclica-laudato-si.html

Official invitations will follow, but we meant to inform you as soon as we got this piece of news.

The EU Delegation remains available for further assistance.

Best regards,

Thank you
