Madame,

Commissioner Hedegaard would be glad to meet with Monseigneur Lebeauvin.

The Commissioner's Assistant will be in touch to fix a mutually convenient time.

Are there specific topics that Mgr. Lebeauvin would like to raise with the Commissioner?

Does the Monseigneur speak English, as the Commissioner's French isn't good enough to converse in French, although she can understand it a little?

Please let me know so that we can see if interpretation can be arranged.

Finally, I apologise that I haven't replied to you in French. I hope you can understand this message – if not please tell me. Don't hesitate to write to me in French if that is easier for you – I understand it but have difficulty writing it correctly.

Yours sincerely,

Peter VIS

Madame,

Comme je vous l'ai dit par téléphone, Mgr Alain Lebeaupin, qui a récemment pris ses fonctions de Nonce Apostolique auprès de l'Union Européenne, souhaiterait avoir un entretien avec la Commissaire Connie Hedegaard.

Pourriez-vous nous indiquer une date qui lui conviendrait ?

En vous remerciant d'avance, je vous prie d'agréer, Madame, mes salutations cordiales.
