Subject: Your request for access to documents of 5 April 2019
Our ref: 2019/071

Dear Mr Nielsen,

Thank you for your request for access to a document, which the EEAS has examined in the framework of Regulation (EC) No 1049/2001¹.

Following your request, we made a search in the EEAS filing systems, the document management databases, corporate systems and archives. We identified one document, which I am pleased to forward to you, in attachment to this letter.

Please note that the EEAS can only provide information about contracts signed by European Union Delegations. Contracts signed by other European Union institutions, agencies or CSDP missions are not held by EEAS. Concerning possible penalties to G4S, our document management database does not provide such information.

I take this opportunity to remind you that the document provided in attachment to this letter may not be copied or reproduced for commercial purposes without prior consultation with the EEAS.

Yours sincerely,

Gabriele Visentin
