Subject: Davos - Meeting with S&P Global CEO

Dear Elina,

I hope this finds you very well in the run up to Christmas.

I wanted to reach out to ask if there might be an opportunity to schedule some time for Vice President Dombrovskis and our [REDACTED], to meet in Davos?

It would be a great opportunity to discuss upcoming priorities and the themes of the Financial Services Governors' roundtable one to one. If the Vice President would have some time in his schedule it would also be wonderful to continue the conversation they had in Washington at the IMF/ World Bank on sustainable finance and other topics.

I understand that the Vice President has now received the invitation to the roundtable itself directly from WEF. (Please do let me know if there are any questions on this)

I'm also taking this opportunity to attach some year-end European economic research from our analysts on snapshots from Q4 and credit outlook for next year in case it could be useful.

best,
