Dear [redacted]

Thanks very much for making the introduction and you did indeed copy Antonio- I just could not see that on my phone.

Dear Antonio,

It has been really encouraging to hear the content of Commissioner Moedas's speeches and I look forward to a meeting soon. I am asking [redacted] to follow-up with your office to look for potential dates.

Best regards,

Subject: Introduction

Dear [REDACTED]

As I said when in [REDACTED] I have briefed Mr Moedas' chef de cabinet (in a quite brief manner) about the alignment between the Commissioner's call for Open Innovation and your work. I think it is important for us here to deepen our understanding of the progress made under your lead in fleshing out the concept of "OI2.0" and defining an OI model that is actionable by investors and entrepreneurs.

Antonio (in copy) shared my conclusion that a meeting with you and the Commissioner would be interesting.

I leave it to you to let Antonio know when you will be next in Brussels so that he can check against the commissioner's agenda.

Over to you!
