

Meeting between Vice-President Dombrovskis and [REDACTED]

[REDACTED] – 26 September 2019

[REDACTED] presented to Vice-President Dombrovskis Finance Watch's priorities. These include: finalisation of the Banking Union (Basel implementation, NPL package, EDIS); sustainable finance (including taxonomy, financing for biodiversity and disclosures to retail investors); CMU next steps; financial inclusion and financial educational. [REDACTED] also briefly touched upon the evaluation of the funding programme for Finance Watch.

The Vice-President updated [REDACTED] on the ongoing work on those areas, and possible future actions by the Commission.
