Dear [REDACTED],

The Philippines has notified a regulation regarding Electronic Nicotine and Non-Nicotine Delivery Systems (ENDS/ENNDS) to the WTO, ref. G/TBT/PHL/219. This regulation explicitly excludes HTPs from its scope. This poses questions concerning discrimination between the two product categories and JTI would like to discuss whether the European Union could raise concerns about the possible WTO incompliance of this regulation in response to the Philippine WTO notification or at the next WTO TBT Committee meeting.

I kindly ask to meet to discuss more thoroughly the above, if possible on 9 July.

Thank you and kind regards,
