Dear Executive Vice-President Timmermans,

We would like to congratulate you on your appointment. Together with 17 leading industry associations we look forward to working with you in turning Europe into the first climate-neutral continent. Please find attached an open letter by which we would like to contribute to your reflections on the Green Deal and the importance of hydrogen and Power-to-X as sector coupling and integration technologies.

We very much look forward to discussing our proposals with you.

In the meantime we wish you all the best and every success in your new role.
