Dear Vice-President

Thank you for your contribution to AFME's 10th anniversary publication.

We are most grateful you have written a chapter for the book which will be launched at our 10th anniversary event on Thursday 26th September, in the Merchant Taylors Hall in the City of London.

I am enclosing a personal invitation to the event and I do hope you will be able to join us on the evening, along with your fellow contributors who are set out on the attached list.

Andrew Gowers, Editor of the publication, will be in touch shortly so that you can approve the final text for your chapter. We are delighted with the material we have received and I am sure that the publication will be an impressive and timely reminder of all that has been achieved over the last ten years in reforming Europe's capital markets, but also how much more there is to do.

I would be grateful if you could let me know you are able to join us on the evening.

Kind regards,
