Dear [Name],

Would it be possible to move this meeting at 9.30 instead 10.00? Due to last minute changes, Ms [Name] needs to participate in another meeting at 10.00.

Thank you in advance for letting me know if this new time slot is convenient for you.

Kind regards,

Ioana

Dear Ms. Cret,

I am writing to you on behalf of Mr. Andrea Parola on the meeting request for Google (below).

We have checked with the team and 10 am would work as timing for the meeting. However, the meeting doesn’t cover privacy matters, and the focus of the meeting would be to talk about content moderation and hate speech.

Could you confirm whether you are following these topics as well in the Cabinet of Commissioner Reynders? Otherwise we would unfortunately have to decline the meeting.

I hope this will work for you, but please feel free to contact me if you should have any questions.

Thank you in advance.

Kind regards,

Claudia

Dear [Name],

You may not remember me, but we met at [Event], and I am a consultant and this is the reason of my email.

As I am not sure who follow those topics within the CAB, I am writing you directly.

On February 4th (I know short notice), [Name], will be in town and she would welcome the opportunity of meeting the Commissioner to discuss **How Google addresses hate speech online, the impact of the Code of Conduct on hate speech, the role of counterspeech and how Google can strengthen its cooperation with the Commission on addressing this issue.**

I have attached below a short bio. Do you think that this meeting is feasible? Ideally she would be available between 9am and 12pm.

Best regards,

Andrea
